

# PR & MARKETING

## We translate:

- Brochures
- Bulletins
- Web sites
- Product catalogs
- and much more.

Public relations and marketing translations require an easily understandable and especially fluent form of language. For that reason, we do separate editing of all translated texts to ensure that they are easy to read and to understand.

We produce fluent marketing or PR texts, even from less than fluent source texts, but then the real work is in the editing of the translated text.

A translation may be needed urgently, on short notice. For that reason, we are prepared to flexibly serve you according to your requirements - no matter what time of day or day of the week you need the job done.

Pricing is based on the degree of difficulty, language pair and time frame of the translation job.
